- 有了8+1的基礎, 還需要怎樣的配合

Aim and Objective

Aim to help professionals enhance and reinforce the knowledge of rules and regulations, additionally equip practitioners of the insurance industry with more tools in team building, recruiting, and selling. The last component, aside from laws and operations, is bringing significant knowledge of related areas that are usually being omitted - namely the understanding the high net worth group and their needs; the most advanced medical and biotechnology available for the rich; and an important alternative investment- art investment that most of the HNW have set foot on it.
